

Catechesis: Overview

The aim of this section is to provide an understanding of what catechesis is and to describe different forms of catechesis used in schools today. You will also find a guide for understanding the *National Directory for Catechesis*. Some of the pieces include videos. To fully benefit from this section, follow the directions in the introduction to each segment. When you have completed all the segments, do the Assessment at the end and email it to your program coordinator or principal.
