Preparation for the Session

In this chapter you will cover the following objectives:

- Appreciate that families teach us how to care for, respect, and help one another
- Recognize the importance of Mary as the Mother of God and our Mother, too
- Connect the words Elizabeth used to greet Mary with the Hail Mary
- Identify the Catholic family as the domestic Church where we experience love, and learn about God and how we pray and live as Catholics

Read the **Consider This** feature. What thoughts or reactions do you have to the opening question?

Parents, Consider This: *Family is the place where we first learn we are loved and we learn how to love. The Catechism of the Catholic Church says it this way: “The first school of Christian life is the Christian family” (CCC 1657). The family shapes a child’s primary image of God. It does so faithfully when it mirrors God’s life and love in the perfect love that flows between the three Persons of the Holy Trinity. Your child learns this from you when you display a loving relationship that results in the physical, emotional, and spiritual well-being of a daughter/son.*

Read these other sections on the Family + Faith Page.

- *Your Child Learned.* This highlights some of the content of Sacred Scripture and Tradition in the lesson.
- *Children At This Age.* This will help you understand how your child processes and learns at this developmental level.

INVITE: Encountering God in His Word

After gathering the supplies that you will need, find a quiet place to be with your child. This is a sacred time—a time when you will be present to each other and to the Lord. You may want to light a candle as you begin.

Let Us Pray Invite your child to make the Sign of the Cross. Read aloud the Psalm verse from the book. Help your child to respond.

Explain that our families are one of God’s first gifts to us. They take care of all the things we need. Most importantly, they help us to live as God’s People. We have another family as well.

Say: Let’s listen to this story about Jesus.

Guide your child through the Preparing for God’s Word Ritual you learned in the Introduction Session or play Track 1 of the *Songs of Scripture* CD.

- Proclaim God’s Word in the Parchment Paper box on the page.
- Maintain several moments of silence.
- Ask: What did you hear God say to you today?

Invite your child to respond and also share what you heard.

Now, look at the *What Do You Wonder?* box.

Say: Jesus helps us to understand that our families belong to a bigger family we call the Church. Learning how to love each other in our family helps us understand how to love other people in the world. God uses our families to teach us important lessons.

Invite the children to respond to the questions. Ask what else they might wonder about God’s life and love and how he shares them with us.

Read aloud the question. Ask your child how she/he knows that she/he is cared for in your family? How can our family show more care for each other? (Listen to your child’s answers. They may surprise you.) Make sure you discuss how important it is for family members to spend time together.

Find the highlighted Catholic Faith Words **Visitation** and **Mary**. Ask your child to read aloud the definitions and then write the word and definitions on separate index cards.

Proclaim the Scripture story. Ask your child what the Scripture tells about how Mary and Elizabeth felt. (*happy to be together, grateful for God’s blessings, full of wonder about the changes happening in their lives*)

Read the directions for the gold-star activity and then help your child complete the activity.

Discuss the illustration. Mary’s response to Elizabeth is called the Magnificat. You may want to play “Mary, O Blessed One” (Track 17) from the *Songs of Scripture* CD Grades 1-3.

Read aloud the paragraph and the question that follows.

Complete the prayer. If you need help, turn to page 321 to find the Hail Mary. Pray the prayer together.

Activity

Read aloud the directions for the Share Your Faith activity. Have your child write one of the ways your family cares for each other that you discussed at the beginning of the lesson.

Read the first three paragraphs together.

Ask your child which family members taught them about safety rules and how to care for pets.

Read aloud the fourth paragraph.

Ask: What is something you have learned about the Catholic Church in our family?

Have your child find the highlighted Catholic Faith Word **domestic Church**. Read the definition out loud. On an index card write the vocabulary word on one side, and its definition on the other.

Read aloud the first two paragraphs.

Ask your child what he/she thinks authority means. Reinforce that authority means the right or power to enforce rules or give orders. Note that the power to make decisions is based on responsibility for the good of all.

Explain that families are part of the Church.

★ Read aloud the directions for the gold-star activity and then complete the activity.

Read aloud “God Loves Everyone.”

Ask: Why is it sometimes hard to obey someone who is responsible for you? What can you do to overcome that difficulty?

Remind your child that respect is honoring God and other people.

★ Read aloud the directions in the green box and then complete the activity.

Read the paragraph about Blessed Luigi and Maria.

- Share your reactions to the information.
- Talk about some ways your family can help each other be Saints. (i.e. calling out the best in each other)

Activity

Read the directions for the Live Your Faith activity. On a separate sheet of paper, help your child name four or five scenes that will tell his/her story. On the other side of the paper help him/her section the paper into the number of boxes he/she will need to tell the story. Direct your child to finish the work.

Parents, Consider This: *The one simple truth that God shares with us in the first pages of Scripture is that he is our creator and we are his creation. When we hear people say, "What does faith have to do with my life?" it is indeed a testimony to how far human beings can stray from the truth that God has created us for relationship with himself and others. Our families are sacred for two reasons; in our families we experience the love of God for us through one another and in our families we are formed by word and action to bring Christ to the world. When you lose sight of that amidst the daily blur of everyday life, pray for the grace to remember and see. Pray the words of Scripture "Now my eyes will be open and my ears attentive," (2 Chronicles 7:15) and see the difference.*

Parents, Consider This: *It's important to form our children in the common language of prayer. We encourage you to pray the Our Father (see Page 321) during your night prayer this week.*
