

ALIVE IN CHRIST

CROSS-CURRICULAR ACTIVITIES/PROJECTS CHART

(NOTE: Cross-Curricular Activities/Projects are located in applicable chapters in the Lesson Planning section)

	Activity Name	Purpose	Cross-Curricular Connections	Type
Unit 1	What the Words Tell Us	Students will complete activities to strengthen their vocabulary by identifying root words, synonyms, and antonyms. They will also reflect on the words that they read in Scripture to learn more about the nature of God.	Language Arts: Literacy/Vocabulary Language Arts: Literacy/Synonyms and Antonyms Language Arts: Integration of Knowledge/Sources of Information Language Arts: Writing Skills/Range of Writing	Integrated Teaching Module
Unit 2	Triangles and the Trinity	Students will complete a math activity about triangles and a world geography activity about a unique union. They will relate these activities to the Mystery of the Holy Trinity.	Math: Geometry/Triangles Math: Measurement and Data/Measurement Tools Social Studies: Geography/Nations and Territories	Integrated Teaching Module
Unit 3	Making Wise Choices	Students will complete activities that require them to consider different choices people must make about health, spending money, and life in their communities. They will relate these choices to what Jesus has taught us about choosing things of real value.	Science: Life Science/Health Social Studies: Economics/Consumer Choice Social Studies: Civics/Current Events	Integrated Teaching Module
Unit 4	Together As One	Complete activities that focus on how the original thirteen American colonies had unique characteristics, but worked together and eventually became one united nation. They will relate this concept to the uniqueness of each member of the Church and how we all work together in unity as the Body of Christ.	Social Studies: History/American History Social Studies: Geography/Maps	Integrated Teaching Module
Unit 5	Doing What is Right	Students will complete activities that pertain to moments in American history when action had to be taken to secure the basic rights of some of its citizens. They will also reflect on the responsibility that members of the Catholic Church have for protecting the basic rights of others.	Social Studies: History/Civil Rights Language Arts: Writing Skills/Craft and Structure Language Arts: Speaking and Listening/Oral Presentation	Integrated Teaching Module
Unit 6	Change All Around Us	Students will complete activities that help to illustrate how different natural forces and processes change the world. They will also reflect on how people are changed when they encounter God's presence in the Sacraments.	Science: Earth Science/Weathering and Erosion	Integrated Teaching Module
Unit 7	Beyond This World	Students will complete activities that require exploring the universe beyond Earth. They will relate the concept that there is much that exists beyond Earth to the idea of one day going to Heaven.	Science: Earth Science/The Universe Math: Measurement and Data/Presentation of Data Language Arts: Writing Skills/Mechanics of Writing	Integrated Teaching Module
